Public holidays

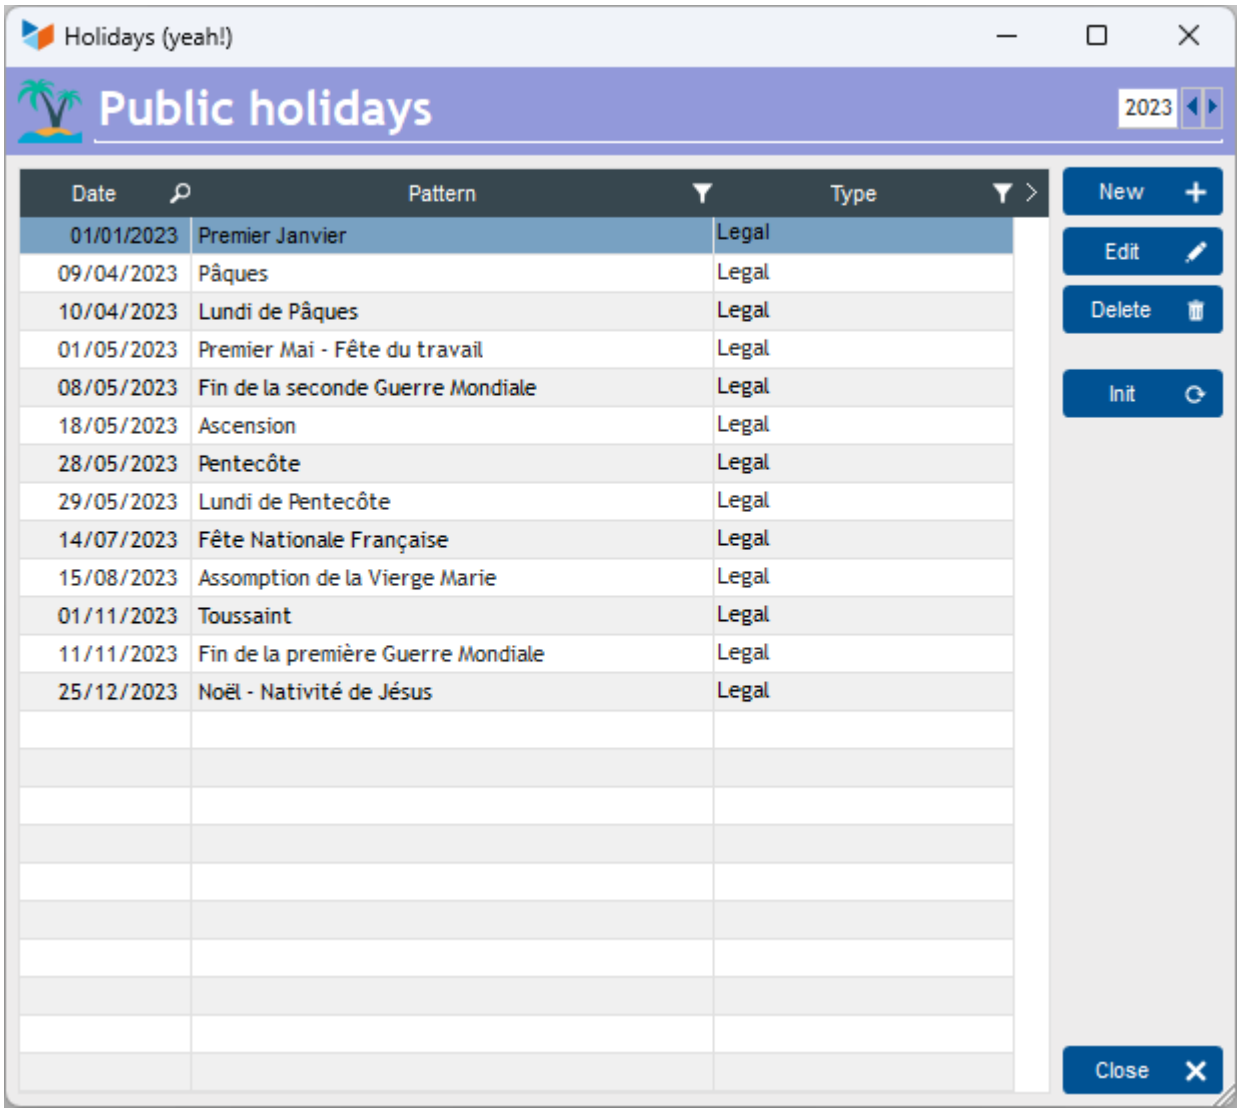

Fix Me! A1 proofreading not yet effective for this page. In the meantime, you can ask any questions on the forum.

This screen is used to note the public holidays in force, depending on the country and sometimes the year.

Public holidays are used to calculate the number of hours worked in activity reports.

Using the screen

Access: *via Tools → Administration → Repository → Holidays*

The **Init** button is used to initialize public holidays for the selected year.
